

WEEKLY UPDATE

October 7, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility.

We continue to test employees twice a week and residents weekly. All test results were negative from our testing this week.

We continue to follow the guidelines to keep you and your loved ones as safe as possible from COVID 19. We are able to have visitors so please feel free to contact us to schedule a visit with your loved one!

We will be opening up our Dining Room and group Activities in the next week so we are excited to be resuming some normal activities.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (512) 334-8000.

Sincerely,

Leah Gage
