

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility will be serving a traditional Thanksgiving meal to our residents and our staff. Our wonderful Activity staff had a special day of Thanksgiving desserts they treated residents to.

Also, as a reminder, visitations for the holiday remain suspended due to the positive staff member that we reported last week. This week we completed another round of testing all residents and staff with no positive cases. With cases on the rise in our county, we anticipate that we will continue with weekly testing for next week.

As a reminder, our total number of cases to date are as follows: 71 residents and 52 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at San Gabriel Rehabilitation & Care Center, I wish you a happy and safe Thanksgiving.

Sincerely,

Leah Gage, LNA
