

WEEKLY UPDATE

May 6, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We do not have any cases of COVID-19 currently. Our last case of COVID-19 was on February 1, 2019. Since the inception of COVID-19, we have had 104 residents and 84 staff members with COVID-19 at our facility. We are working very hard to prevent the spread of infection and following all of the recommendations of our federal and local health officials.

We currently are accepting visitors. If you are interested in coming to see your loved one, please call our front desk and schedule a visit.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (512) 334-8000.

Sincerely,

Leah Gage, LNFA
