

**WEEKLY UPDATE**

**July 31, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. As I am sure you are aware the rate of COVID-19 cases has increased significantly over the past couple of weeks. As a result we have increased testing of all employees. We most recently tested staff yesterday, July 30<sup>th</sup>. Today we received the results that 1 of the employees tested positive. We have subsequently tested all residents and currently no residents have tested positive.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (512) 334-8000.

Sincerely,

*Leah Gage*
