

WEEKLY UPDATE

August 6, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility.

Last week I informed you that we had 1 employee test positive for COVID-19 during our routine testing. We tested all staff and all residents and had no other positive cases. Staff were tested again on Tuesday with no additional cases of COVID-19. We will test residents again on Saturday, August 7, 2021. Our staff member is doing well and expected to make a full recovery.

Our 100 Hall is currently under Quarantine since the staff member worked that particular hall. All facility residents are being monitored for any symptoms.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (512) 334-8000.

Sincerely,

Leah Gage
